LEGAL NOTICE

Coastline Elderly Services, Inc.
Area Agency on Aging/Aging Services Access Points

Request for Proposal (RFP)
Legal Assistance

Coastline Elderly Services, Inc. Area Agency on Aging, is requesting proposals for Legal Assistance pursuant to 45 C.F.R § 1321.71. Legal assistance includes legal advice and representation provided by an attorney (including to the extent feasible, counseling or other appropriate assistance by a paralegal or law student under the direct supervision of an attorney). Services may include advice and consultation, drafting legal documents, negotiation, community education, outreach, and the representation of clients or groups and judicial tribunals, to the extent permitted by the Older Americans Act. Activities shall be rendered in a manner consistent with the Code of Professional Responsibility as promulgated by the Massachusetts Supreme Judicial Court, and with the Standards for Providers of Civil Legal Services to the Poor, as promulgated by the Standing Committee on Legal Aid and Indigent Defense of the American Bar Association. Legal assistance must serve individuals who are 60 years of age and older throughout the communities of Acushnet, Dartmouth, Fairhaven, Gosnold, Marion, Mattapoisett, New Bedford and Rochester. A bidder's conference will be held on Wednesday June 12, 2019 at 2:30 p.m. at Coastline, 1646 Purchase Street, New Bedford, MA 02740. Applications will be distributed at that time. Completed applications must be received at Coastline by Wednesday, July 10, 2019 by 3 p.m. Late applications will not be accepted. For more information, please contact Ann McCrillis, Area Agency on Aging Planner, at 508-742-9160. AA/EOE.

SECTION 1

1. **Introduction**

Coastline Elderly Services, Inc. is a federally designated Area Agency on Aging (AAA) and state Aging Services Access Point (ASAP) providing services to elders in the communities of Acushnet, Dartmouth, Fairhaven, Gosnold, Marion, Mattapoisett, Rochester and New Bedford since 1977. The mission of the agency is “*to be a trusted provider of resources and services that support self-determination and community well-being*”

2. **Title III**

The purpose of Title III of the Older Americans Act is to develop a comprehensive and coordinated health and social service system which assists elders to maintain independent living in their homes as long as desired. All projects should support the goals of the AAA and the Older Americans Act in ensuring elders the opportunity for lives of optimal independence, security, dignity and fulfillment. All programs must give particular attention to low income minority individuals including:

- older individuals with the greatest social and economic need
- older individuals with limited English proficiency
- older individuals residing in rural areas
- older individuals with Alzheimer’s disease and related disorders with neurological and organic brain dysfunction and,
- older individuals at risk for institutional placement.

3. **Funding Level:**

Funding is contingent upon the allocation and receipt of federal Title III funding from the Massachusetts Executive Office of Elder Affairs. Contracts will be issued for one year with the possible option of renewal based on program performance, existing need for service, and funding availability.

4. **Funding Guidelines:**

Each proposal will be individually reviewed and evaluated for “Best Quality and Economic Value to the AAA,” the validity of proposed expenditures and the overall cost effectiveness of its budget. Funding is provided on the basis of reimbursement for monthly billing submitted to the Area Agency on Aging. *For this reason, the sponsoring agencies must have sufficient financial resources to support the initial 2-3 months of operation of the proposed project.*

5. **Information and Assistance:**

The AAA will provide technical assistance to all applicants. Please contact Ann McCrillis, AAA Planner at 508-742-9160.

***Definition: Greatest Social Need:** Greatest Social Need: The need caused by non-economic factors which includes physical and mental disabilities, language barriers, cultural, social, geographic isolation, including isolation caused by racial or ethnic status, including religious minorities and individuals isolated because of their sexual orientation or gender identity that restricts the ability of an individual to live independently.

Greatest Economic Need: The need resulting from an income level at or below the poverty level.

6. **Monitoring and Evaluation:**

All projects will be required to submit timely monthly budget and statistical data and will be subject to on-site evaluations by the AAA.

7. **Priority Funding Areas:**

Innovative projects providing direct services to target populations will be considered for priority funding. Among proposed services, funding priority will be directed to – but not be limited to - the following priority areas:

- Development and expansion of transportation services
- In-home and community medical, dental, and mental health services
- Legal services
- Support groups
- Or other healthy aging supportive service(s) to enhance the capability of the elder to live independently.
- Programs to assist caregivers 55 years and older who are taking care of someone 60 years of age and older.

8. **Selection Criteria:**

Qualified organizations are invited to submit applications for programs targeted to priority areas. Review and evaluation of the applications will be conducted by a 5-member Title III-Committee comprised of Coastline’s Board of Directors and the AAA Advisory Council. Final Funding decisions will be made by Coastline’s Board of Directors. *(A summary of the review criteria is included on page 13).*

Handicapped Accessibility:

9. All sites where the proposed program will take place must be handicapped accessible with provisions for emergency preparedness.

10. **Coordination of Services:**

Proposed projects should address a documented need and not duplicate, supplant or overlap existing services and functions. Projects must demonstrate appropriate coordination of services with other providers in the elder service network. Memoranda of Understanding will be required from community agencies with which the proposed project would coordinate services (i.e., referral sources, additional funding sources) and from any site, not under the aegis of the sponsoring agency at which the project is proposed to operate (i.e., senior centers, elder housing units, etc.).

11. **Reference on Funded Publications:**

If an organization publishes or distributes brochures, periodicals or other publications describing any program funded in part or in whole by Coastline Elderly Services, Inc. and the Executive Office of Elder Affairs, the publication must prominently display in such a report a statement to the following effect. *“This agency and its programs are funded (in whole or in part) by a grant from Coastline Elderly Services, Inc., Massachusetts Executive Office of Elder Affairs and the Federal Administration for Community Living.”*

12. Policies and Procedures for the Management of Title III Program Income Derived from Voluntary Contributions:

- (A) Each service provider must:
- (1) Provide each recipient with an opportunity to voluntarily contribute to the cost of the service.
 - (2) Clearly inform each recipient that there is no obligation to contribute and that the contribution is purely voluntary.
 - (3) Protect the privacy and confidentiality of each recipient with respect to the recipient's contribution or lack thereof.
 - (4) Establish appropriate procedures to safeguard and account for all contributions.
 - (5) Use all collected contributions to expand the service for which the contributions were given.
- (B) A service provider that receives funds under this Part (Title III) may not deny service to any older person, or to a caregiver, because the individual will not or cannot contribute to the cost of the service. A Means test is strictly prohibitive.

13. Geographic Planning and Service Areas:

Proposed projects may serve all or part of the planning and service area which includes the communities of Acushnet, Dartmouth, Fairhaven, Gosnold, Marion, Mattapoisett, New Bedford and Rochester. In some cases, if selected, certain projects will be instructed to provide services to all communities within the planning and service area.

14. Time Line:

The project selection process will proceed according to the following schedule. Projects must commence operations by **October 1, 2019**.

SECTION 3

BUDGET INSTRUCTIONS**Program Budget** (Guidelines for line item cost categories)

- ❑ Personnel - include the hourly rate and the number of hours worked weekly for each position title. Fringe rate for Title III funded position should not exceed 25%. A complete job description for each position should be included in the appendix.
- ❑ Travel - consistent with Coastline's policy and not to exceed .545 cents per mile.
- ❑ Building space, communications and utilities - in shared facilities, this should be a reasonable pro-rated portion of expenses.
- ❑ Printing/supplies - projects which include an outreach or information component would be expected to produce a brochure.
- ❑ Equipment - ownership of all equipment purchased with funds received from the Area Agency on Aging, with a cost of more than \$500 and/or anticipated life of more than one year, may be retained by the Area Agency on Aging at the conclusion of the grant period.

Guidelines for funding sources:

- ❑ Title III - the amount requested in Federal Title III funding for each of the corresponding line items cost categories. (Refer to Title III Program Budget).
- ❑ Cash Match - at least 15% or more of the proposed total project costs must be provided by the applicant in either **non-federal cash or in-kind services**. Funding sources (United Way, corporate grants, etc.) should be identified and the amount(s) applied to the appropriate cost category. ***Please note: Title III-E (Family Caregiver Support) match requirement is 25% or more of the proposed project costs.***
- ❑ In-Kind Match - the value of non-cash resources made available to the project. These may include the services of volunteers, supervisory time, building space or administrative support.
- ❑ Generated Income - (Also Voluntary Donations) Title III funded projects are required to provide participants with the opportunity for confidential and voluntary donations. There can be no charge for services to project participants and no means test to determine eligibility for project services. Estimate donations on the projected number of program participants.
